

ETHAN
OUTDOOR FURNITURE

Ethan is dedicated to creating the highest quality Outdoor Furniture. Our family company began in 1984 and has grown to become a recognised name for its premium range of unique Outdoor Furniture.

A strong focus on design has resulted in proportionally balanced furniture that possesses a timeless and enduring style. Each piece is designed to be functional, comfortable, pleasing to the eye and very long lasting.

Ethan specialise in 'custom making' the furniture to suit your specific requirements. We recognise that each situation is unique and are committed to working alongside you, providing solutions that exceed your expectations. We have an unmatched reputation and export our furniture globally.

The furniture will last outdoors for generations. We believe that if something is worth doing it is worth doing properly! All furniture is hand crafted and finished to a very high standard.

Skilled workmanship involving careful attention to detail, combined with both traditional and the latest construction techniques ensure the long lasting quality of the furniture.

An emphasis on continual improvement at Ethan results in an ongoing refinement of existing designs and development of practical innovation's and new products.

Ethan do more than design and manufacture high quality Outdoor Furniture. We also provide exceptional customer service that continues after your furniture has been delivered to ensure it will give you years of pleasurable use.

Handcrafted in New Zealand since 1984

TIMBER

Ethan Outdoor Furniture is manufactured from Iroko hardwood. Other quality hardwoods such as Teak, Jarrah and Rosewood are also offered.

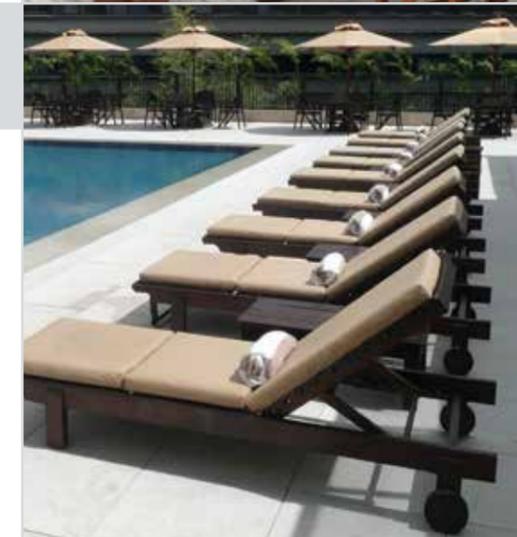

Ethans' policy is to only source hardwoods from responsibly managed forests certified by FSC (Forestry Stewardship Council) or accredited in accordance with ITTO (International Tropical Timber Organisation) standards.

Ethan Outdoor Furniture is FSC certified, SGS-COC 1505. We were one of the first furniture companies in NZ to obtain FSC certification.

We offer certain products and table suite sizes in FSC certified timber. Please contact us for further information on these FSC products.

2400 ROUND SETTING

This is the 'King Arthur' of the Ethan Round Settings. A truly grand setting suited to spacious locations. Nothing in the world quite like this!

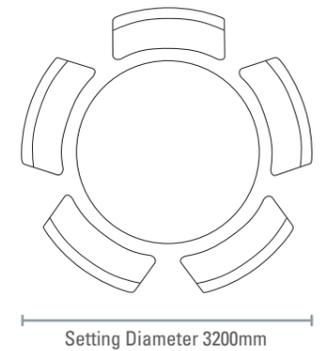

- **15 – 20 Seater**
- Round Table 2400mm (8') diameter (dia.)
- Four Seater Benches – 1500mm L (x 5)
- Umbrella Octagonal – 4000mm dia.
- Lazy Susan - 1420mm dia.
- 45mm table top thickness

2000 ROUND SETTING

A luxurious ten seater setting. Perfect size up from the popular 1750 Round Setting for those with more space.

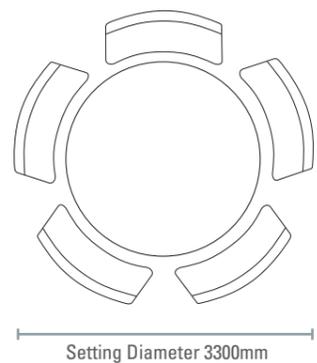

- **10 – 12 Seater**
- Round Table 2000mm (6'7") dia.
- Two Seater Benches – 1210mm L (x 5)
- Umbrella Octagonal – 3800mm dia.
- Lazy Susan - 1130mm dia.

2100 ROUND SETTING

Seating 15 people, this is the beginning of the grand size table settings.

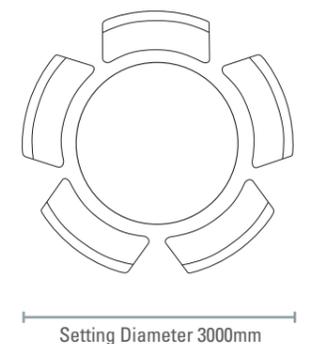

- **15 Seater**
- Round Table 2100mm (6'11") dia.
- Three Seater Benches – 1310mm L (x 5)
- Umbrella Octagonal – 3800mm dia.
- Lazy Susan - 1220mm dia.
- 45mm table top thickness

1800 ROUND SETTING

Ethan's most popular Round Table Setting. Accommodates five Two Seater benches. Mid size setting with ample space for ten formal place settings.

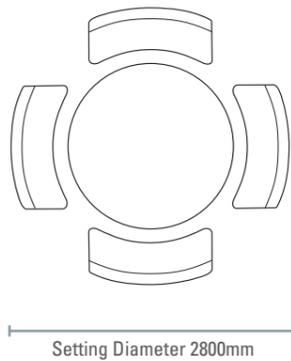

- **10 Seater**
- Round Table 1800mm (6') dia.
- Two Seater Benches – 1100mm L (x 5)
- Umbrella Octagonal – 3600mm dia.
- Lazy Susan - 980mm dia.

1600 ROUND SETTING

This is a popular smaller size setting which accommodates four benches and seats eight people comfortably.

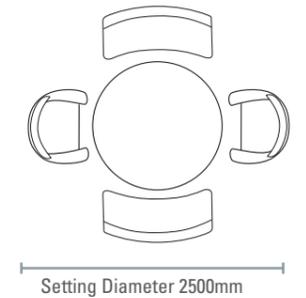

- **8 Seater**
- Round Table 1600mm (5'3") dia.
- Two Seater Benches – 1180mm L (x 4)
- Umbrella Octagonal – 3600mm dia.
- Lazy Susan - 780mm dia. (not shown)

1300 ROUND SETTING

A great size smaller setting combining chairs and benches. Enjoy breakfast with family and friends.

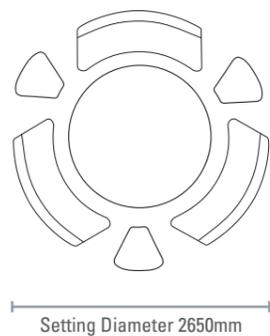

- **4 – 6 Seater**
- Round Table 1300mm (4'3") dia.
- Parson James - Carver Chairs (x 2)
- Two Seater Benches – 1020mm L (x 2)

1450 ROUND SETTING

An ideal choice where space is at a premium but high capacity seating is required. Enjoy the flexibility of adding Ethan Stools if more seating is required.

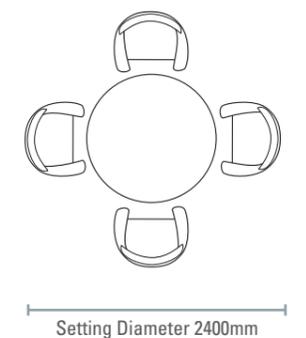

- **9 - 12 Seater**
- Round Table 1450mm (4'9") dia.
- Three Seater Benches – 1300mm L (x 3)
- Stools (x 3)
- Umbrella Octagonal – 3300mm dia.

1200 ROUND SETTING

A compact size four seater setting using the Parson James Chairs. More intimate for that special terrace, courtyard or balcony.

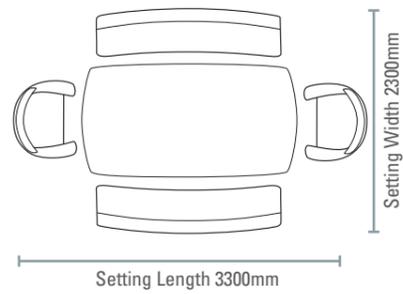

- **4 Seater**
- Round Table 1200mm (3'11") dia.
- Parson James High-Back Chair (x 2)
- Parson James Side Chair (x 2)

2100 RECTANGLE SETTING

Our most popular Rectangle setting. The table top and benches are slightly curved to soften the lines. Chairs or Benches can be used at the table ends

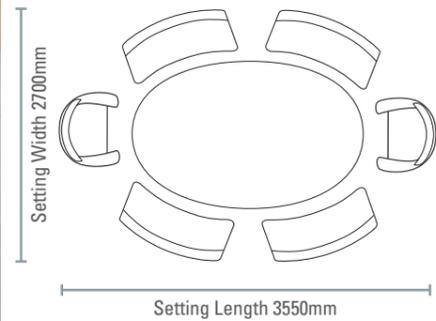

- **10 - 12 Seater**
- Rectangle Table 2100mm x 1100mm
- Four Seater Benches – 2000mm (x 2)
- Two Seater Benches – 1065mm (x 2) (Alternatively Parson James Carver Chairs can be used at table ends (x 2))
- Umbrella Octagonal – 3600mm dia.

2350 OVAL SETTING

This oval table setting is more suited to narrower areas but maintains the social atmosphere of the round table.

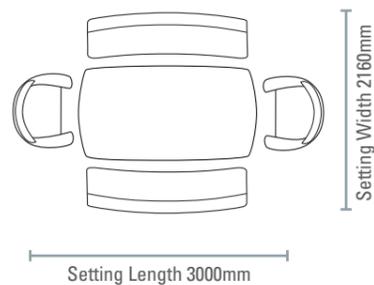

- **10 Seater**
- Oval Table 2350mm x 1500mm
- Two Seater Benches - 1065mm L (x 4)
- Parson James Carver Chair (x 2)
- Umbrella Octagonal – 3800mm dia.
- Lazy Susan - 680mm dia.

1800 RECTANGLE SETTING

A more compact Rectangle setting that still offers good seating capacity with the Three Seater benches down each side. Benches may be used at each end instead of chairs.

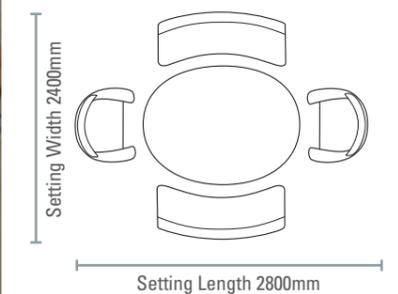

- **8 Seater**
- Rectangle Table 1800mm x 960mm
- Three Seater Benches – 1600mm L (x 2)
- Parson James Low-Back Chair (x 2)
- Umbrella Octagonal – 3300mm dia.

1600 OVAL SETTING

This smaller oval setting with its two benches and two chairs make this a sociable setting for a narrow space

- **8 Seater**
- Oval Table 1600mm x 1200mm
- Three Seater Benches - 1300mm L (x 2)
- Parson James Low-Back Chair (x 2)
- Umbrella Octagonal - 3300mm dia.
- Lazy Susan - 400mm dia.

THE ETHAN SETTING

The Ethan Setting provides a unique and versatile space for outdoor living. It is an ideal centre piece for both formal and informal dining, entertaining or relaxing.

You will discover that the setting is an outdoor room - designed to be a natural extension of your home. The Ethan Setting is highly functional with many exclusive features. It offers comfort, function and a unique style.

Enhance your outdoor living area or conservatory with an Ethan Setting of your choice.

The vent cover lifts easily to release wind pressure

Umbrella spans the complete setting providing maximum shade and shower protection

Umbrella cover attached with stainless fittings & corners reinforced with leather

With five benches the pole is not visually in line with someone seated opposite

Lazy Susan includes marine grade stainless bearing and outer wheels for smooth running and extra stability

The setting height is lower than indoor furniture to ensure it is well suited to relaxed outdoor living.

There is plenty of space between the lazy susan and the table edge for place settings

Wide tops are safe for children to sit or climb on as bench will not tip over backward

Five benches emphasise the circular flow creating a social atmosphere

Bench cushions and Back pads (not shown) add another level of comfort to the setting

Benches from 1065mm long seat two adults very comfortably

The umbrella stand under the table locks the umbrella firmly down with bayonet fitting

The pulley handle for easy raising & lowering of the umbrella is conveniently located

Long feet ensure benches can be maneuvered easily and remain stable

The table circumference easily accommodates 10 formal place settings (1750mm diameter table or larger)

Iroko softly silvered from some months in the weather

Timber

All of our timber is carefully selected to ensure high performance in terms of stability and durability. This is an important part of our quality control process in manufacturing

IROKO'S MAIN ADVANTAGES:

- Iroko doesn't bleed or weep sap to stain tiles, decks or clothing
- Iroko is a medium weight hardwood
- Weathers to a very pleasant silver grey

OTHER HARDWOODS AVAILABLE:

- Teak, Jarrah and Jatoba

Oil Finish Options

ETHAN OIL:

Allows furniture to weather to a silver / grey patina

- Protects the timber against mould, mildew and food markings
- Mineral based outdoor furniture oil
- Standard oil finish unless Sikkens Cetol is applied

SIKKENS NOVATECH & CETOL HLS:

Maintains the natural colour of the wood grain

- Tough flexible marine alkyd coating with high quality UV protection
- Stain resistant and does not flake or peel
- Easy to maintain

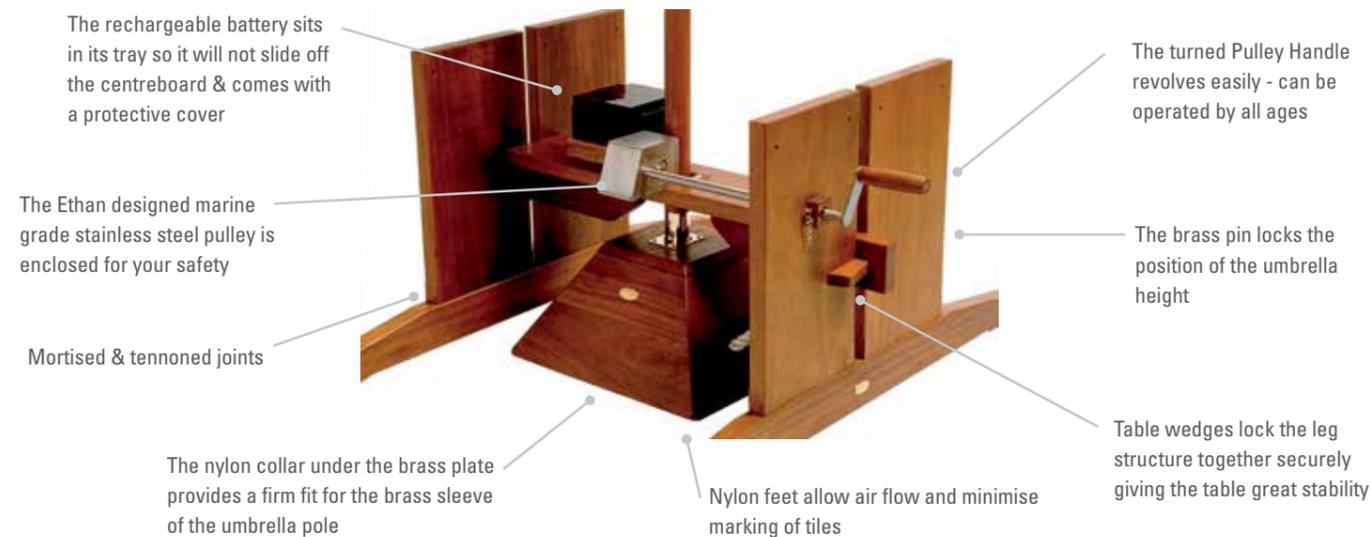

Fittings & Construction

- Maintenance free fittings
- Only stainless steel screws and bolts
- Brass fittings are gold plated to provide long wear resistance
